Jacksonville, Florida

Norman Gaylis, MD, FACP, FACR

Program Chair
Clinical Associate Professor,
University of Miami School of Medicine, President and Managing Partner, Arthritis and Rheumatic Disease Specialties, Aventura, Florida

Moderator

Deaver R. Collins, MD

Program Overview

The advent of biologic therapy has essentially changed the way rheumatologists are practicing medicine. New methods of assessment and treatment are changing practice modalities and reshaping rheumatologists' practices. This CME program will increase awareness of these service options and provide a comprehensive plan for the rheumatologist to implement new diagnostic and therapeutic procedures to improve patient care in today's rheumatology practice. This program is divided into two parts:

- I *New Diagnostic Methods and New Treatment Choices* by Marc Cohen, MD
- II *Rheumatology Practice in the Post Biologic Era* by Norman Gaylis, MD, FACP, FACR

Following these presentations, attendees will participate in a physician led discussion.

Target Audience

This program is designed for specialists in rheumatology.

Learning Objectives

At the conclusion of this program, participants should be able to:

1. Discuss new investigative methods for the diagnosis and management of rheumatic diseases.
2. Discuss and compare new and emerging therapies for the treatment of rheumatic diseases.
3. Discuss the management, development, and incorporation of new diagnostic services and treatment services, and other rheumatology office logistics.

Accreditation

This activity has been planned and implemented in accordance with the Essentials and Standards of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the University of Massachusetts Medical School (UMMS) and the National Association for Continuing Education. UMMS is accredited by ACCME to provide continuing medical education for physicians.

UMMS designates this continuing medical education activity for 2 credit hours in Category I toward the Physicians Recognition Award of the American Medical Association. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

Under the auspices of the University of Massachusetts Medical School Office of Continuing Education this offering meets the requirements for 2.4 contact hours, as specified by the Massachusetts Board of Registration in Nursing (244-CMR 5.04). Each nurse should claim only those hours of credit that he/she actually spend in the educational activity.

Disclosure

In accordance with the Standards of the Accreditation Council for Continuing Medical Education (ACCME) and the guidelines of the Association of American Medical Colleges (AAMC), it is the policy of the University of Massachusetts Medical School to disclose whatever interest or affiliation a speaker might have with any commercial organization whose products or services are related to the subject matter being presented. Such disclosure will be made available on the day of the program.

To reserve space, please fax this form to NACE, (954) 723-0353.

I will be attending this program.
