PROGRAM OVERVIEW

Should We or Shouldn't We? A Point-Counterpoint Debate on the Latest Practice and Therapeutic Trends in Rheumatology, is a highly interactive, 2-hour, live point-counterpoint, debate-style symposium. This CME activity will challenge clinicians and health care professionals treating rheumatic diseases to determine where they lie on the spectrum of practice management and disease management and to evaluate if they are providing services and treating patients to maximize outcomes.

This two-part program will increase awareness of important issues related to new diagnostic and treatment options and issues affecting the management of today's rheumatology practice. In Part I, *Current Issues in the Treatment of Rheumatic Diseases*, speakers will discuss issues in the diagnosis and management of rheumatic diseases. In Part II, *Current Issues in Rheumatology Practice Management*, speakers will discuss issues in the management of the rheumatology practice. The goal of each part of this program is to provide improved health care services to patients and to improve patient outcomes.

LEARNING OBJECTIVES

At the conclusion of this CME activity, attendees will be able to:

- Describe the potential benefits of early diagnosis and aggressive treatment in patients with RA
- Discuss the benefits (or lack thereof) of utilization of MRI as a diagnostic tool
- Describe the available disease activity assessment tools and discuss the ramifications for a daily clinical practice
- Discuss the issues regarding the appropriate time and indications to switch/adjust biologic therapy in RA
- Discuss the evolution of infusion therapy sites as a referral source and clinical research model

FACULTY

Norman B. Gaylis, MD

Clinical Associate Professor
University of Miami School of Medicine
President and Managing Partner, Arthritis
and Rheumatic Disease Specialties
Aventura, Florida

Marc Cohen, MD

Professor of Medicine,
Mayo Medical School
Chairman of Division of Rheumatology
Mayo Clinic
Jacksonville, Florida

PROGRAM CHAIR

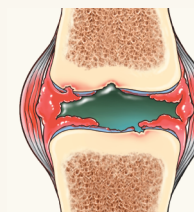

Norman B. Gaylis, MD

ACTIVITY DIRECTOR

Michelle Frisch, MPH

CONTINUING EDUCATION

This activity has been planned and implemented in accordance with the Essentials and Standards of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the University of Massachusetts Medical School (UMMS) and the National Association for Continuing Education. The University of Massachusetts Medical School is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The University of Massachusetts Medical School designates this educational activity for a maximum of 2 AMA PRA Category I Credit(s)TM. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Under the auspices of the University of Massachusetts Medical School Office of Continuing Education this offering meets the requirements for 2 contact hours, as specified by the Massachusetts Board of Registration in Nursing (244- CMR 5.04). Each nurse should claim only those hours of credit that he/she actually spent in the educational activity.

Policy on Faculty and Provider Disclosure: It is the policy of the University of Massachusetts Medical School to ensure fair balance, independence, objectivity and scientific rigor in all activities. All faculty participating in CME activities sponsored by the University of Massachusetts Medical School are required to present evidencedbased data, identify and reference off-label product use and disclose all relevant financial relationships with those supporting the activity or others whose products or services are discussed. Faculty disclosure will be provided in the activity materials.
