

## CONTINUING EDUCATION

This activity has been planned and implemented in accordance with the Essentials and Standards of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the University of Massachusetts Medical School (UMMS) and the National Association for Continuing Education. UMMS is accredited by ACCME to provide continuing medical education for physicians.

UMMS designates this continuing medical education activity for 7.8 credit hours in Category I toward the Physicians Recognition Award of the American Medical Association. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

Under the auspices of the University of Massachusetts Medical School Office of Continuing Education this offering meets the requirements for 9.4 contact hours, as specified by the Massachusetts Board of Registration in Nursing (244-CMR 5.04). Each nurse should claim only those hours of credit that he/she actually spend in the educational activity.

In accordance with the Standards of the Accreditation Council for Continuing Medical Education (ACCME) and the guidelines of the Association of American Medical Colleges (AAMC), it is the policy of the University of Massachusetts Medical School to disclose whatever interest or affiliation a speaker might have with any commercial organization whose products or services are related to the subject matter being presented. Such disclosure will be made available on the day of the program.

## HOW TO REGISTER

There is *no charge* for registration. To register, call the National Association for Continuing Education (NACE) at (954) 723-0057 from 9:00 am to 5:00 pm Monday thru Friday. ## *3rd Annual Endocrinology Conference Emerging Challenges in Endocrinology: 2005 Saturday, October 8th, 2005*

*Westin Diplomat Resort & Spa  
355 South Ocean Drive  
Hollywood, Florida*

- Earn Category I CME credits
- Hear nationally recognized experts
- Stay abreast of the latest research in Endocrinology

*There is no charge for program registration or for any conference activities!*

## Learning Objectives

The intimate setting of the conference will maximize learning and discussion and will enable endocrinologists to learn first hand from thought leaders in their field. Among the proposed objectives will be:

- review the incretins and endocannabinoid system and their role in the pathophysiology and therapy of the metabolic syndrome and diabetes mellitus
- review the role of the PPAR and the renin-angiotensin-aldosterone systems (RAAS) in preventing diabetes, diabetes complications and endothelial dysfunction
- discuss the current status of inhaled insulin, insulin analogues and other delivery systems
- describe the controversies surrounding sub clinical thyroid disease and review both pre and post operative US guided FNA and tissue markers in thyroid cancer surveillance
